SUMMARY

Passionate Web Developer with strong expertise in React-JS, HTML, and CSS, focused on creating responsive, user-friendly, and visually appealing web applications. Dedicated to solving real-world problems through clean code, modern design practices, and collaborative teamwork.

SKILLS

Frontend: React-Js,HTML,CSS,BootStrap.

Languages: JavaScript.

DataBase: MySQL.

Soft Skills: Problem-solving, Teamwork, Adaptability, Communication.

PROJECTS

React-Js, BootStrap

Online-Codeeditor   Live Link

Built an interactive online code editor using React.js and Monaco Editor (the code editor that powers VS Code).

This web app allows users to write and test code in real-time with a smooth and developer-friendly interface.

React-Js, BootStrap. React-Router, ContextApl

Explore Tamilnadu   Github Link

A tourism website that allows users to explore famous places in Tamil Nadu, view details, and plan their visit. The site includes images, brief descriptions, and location info.

Developed a weather review platform where users can view real-time weather conditions and leave reviews for popular travel destinations.

React-Js, BootStrap, MangoDB, Express

Edutrack-Student Information System   Github Link

Developed EduTrack - a Student Information System using the MERN stack (MongoDB, Express, React.js, Node.js).

Implemented features for adding, editing, and deleting student records. Optimized user interface for efficient data handling and seamless interaction.

EDUCATION

2021 - 2025   **K.Ramakrishnan College Of Enginnering.**   GPA:8.1
Bachelor of Electronics and Communication Engineering

2020 -2021   **Sir Sivaswamy Balavidhyalaya Matric Higher Secondary School**   Percentage:88
HSC, Biology

2018 - 2019   **Sir Sivaswamy Balavidhyalaya Matric Higher Secondary School**   Percentage:83
SSLC

EXPERIENCE

Feb 2025   **KnackForge Soft Solutions Private Limited,Chennai**   Internship
- Developed responsive web interfaces and a full-stack CRUD application using React.js, Express, and MongoDB, ensuring optimal user experience across devices.
- Collaborated with cross-functional teams to integrate front-end features with back-end APIs, improving functionality and efficiency of web applications.
- Gained hands-on experience in building functional and well-designed web interfaces during the internship, focusing on both performance and user experience.

LANGUAGES

English , **Tamil**

CERTIFICATIONS

June-2024

- Completed virtual Front-End Web Development internship via IBM SkillsBuild, gaining hands-on experience in HTML, CSS, JavaScript, and responsive design.
